

Walking between stations in The City

Walking for some or all of your journey in central London can be quick and comfortable, especially at busy times.

This map shows how close together stations are in The City.

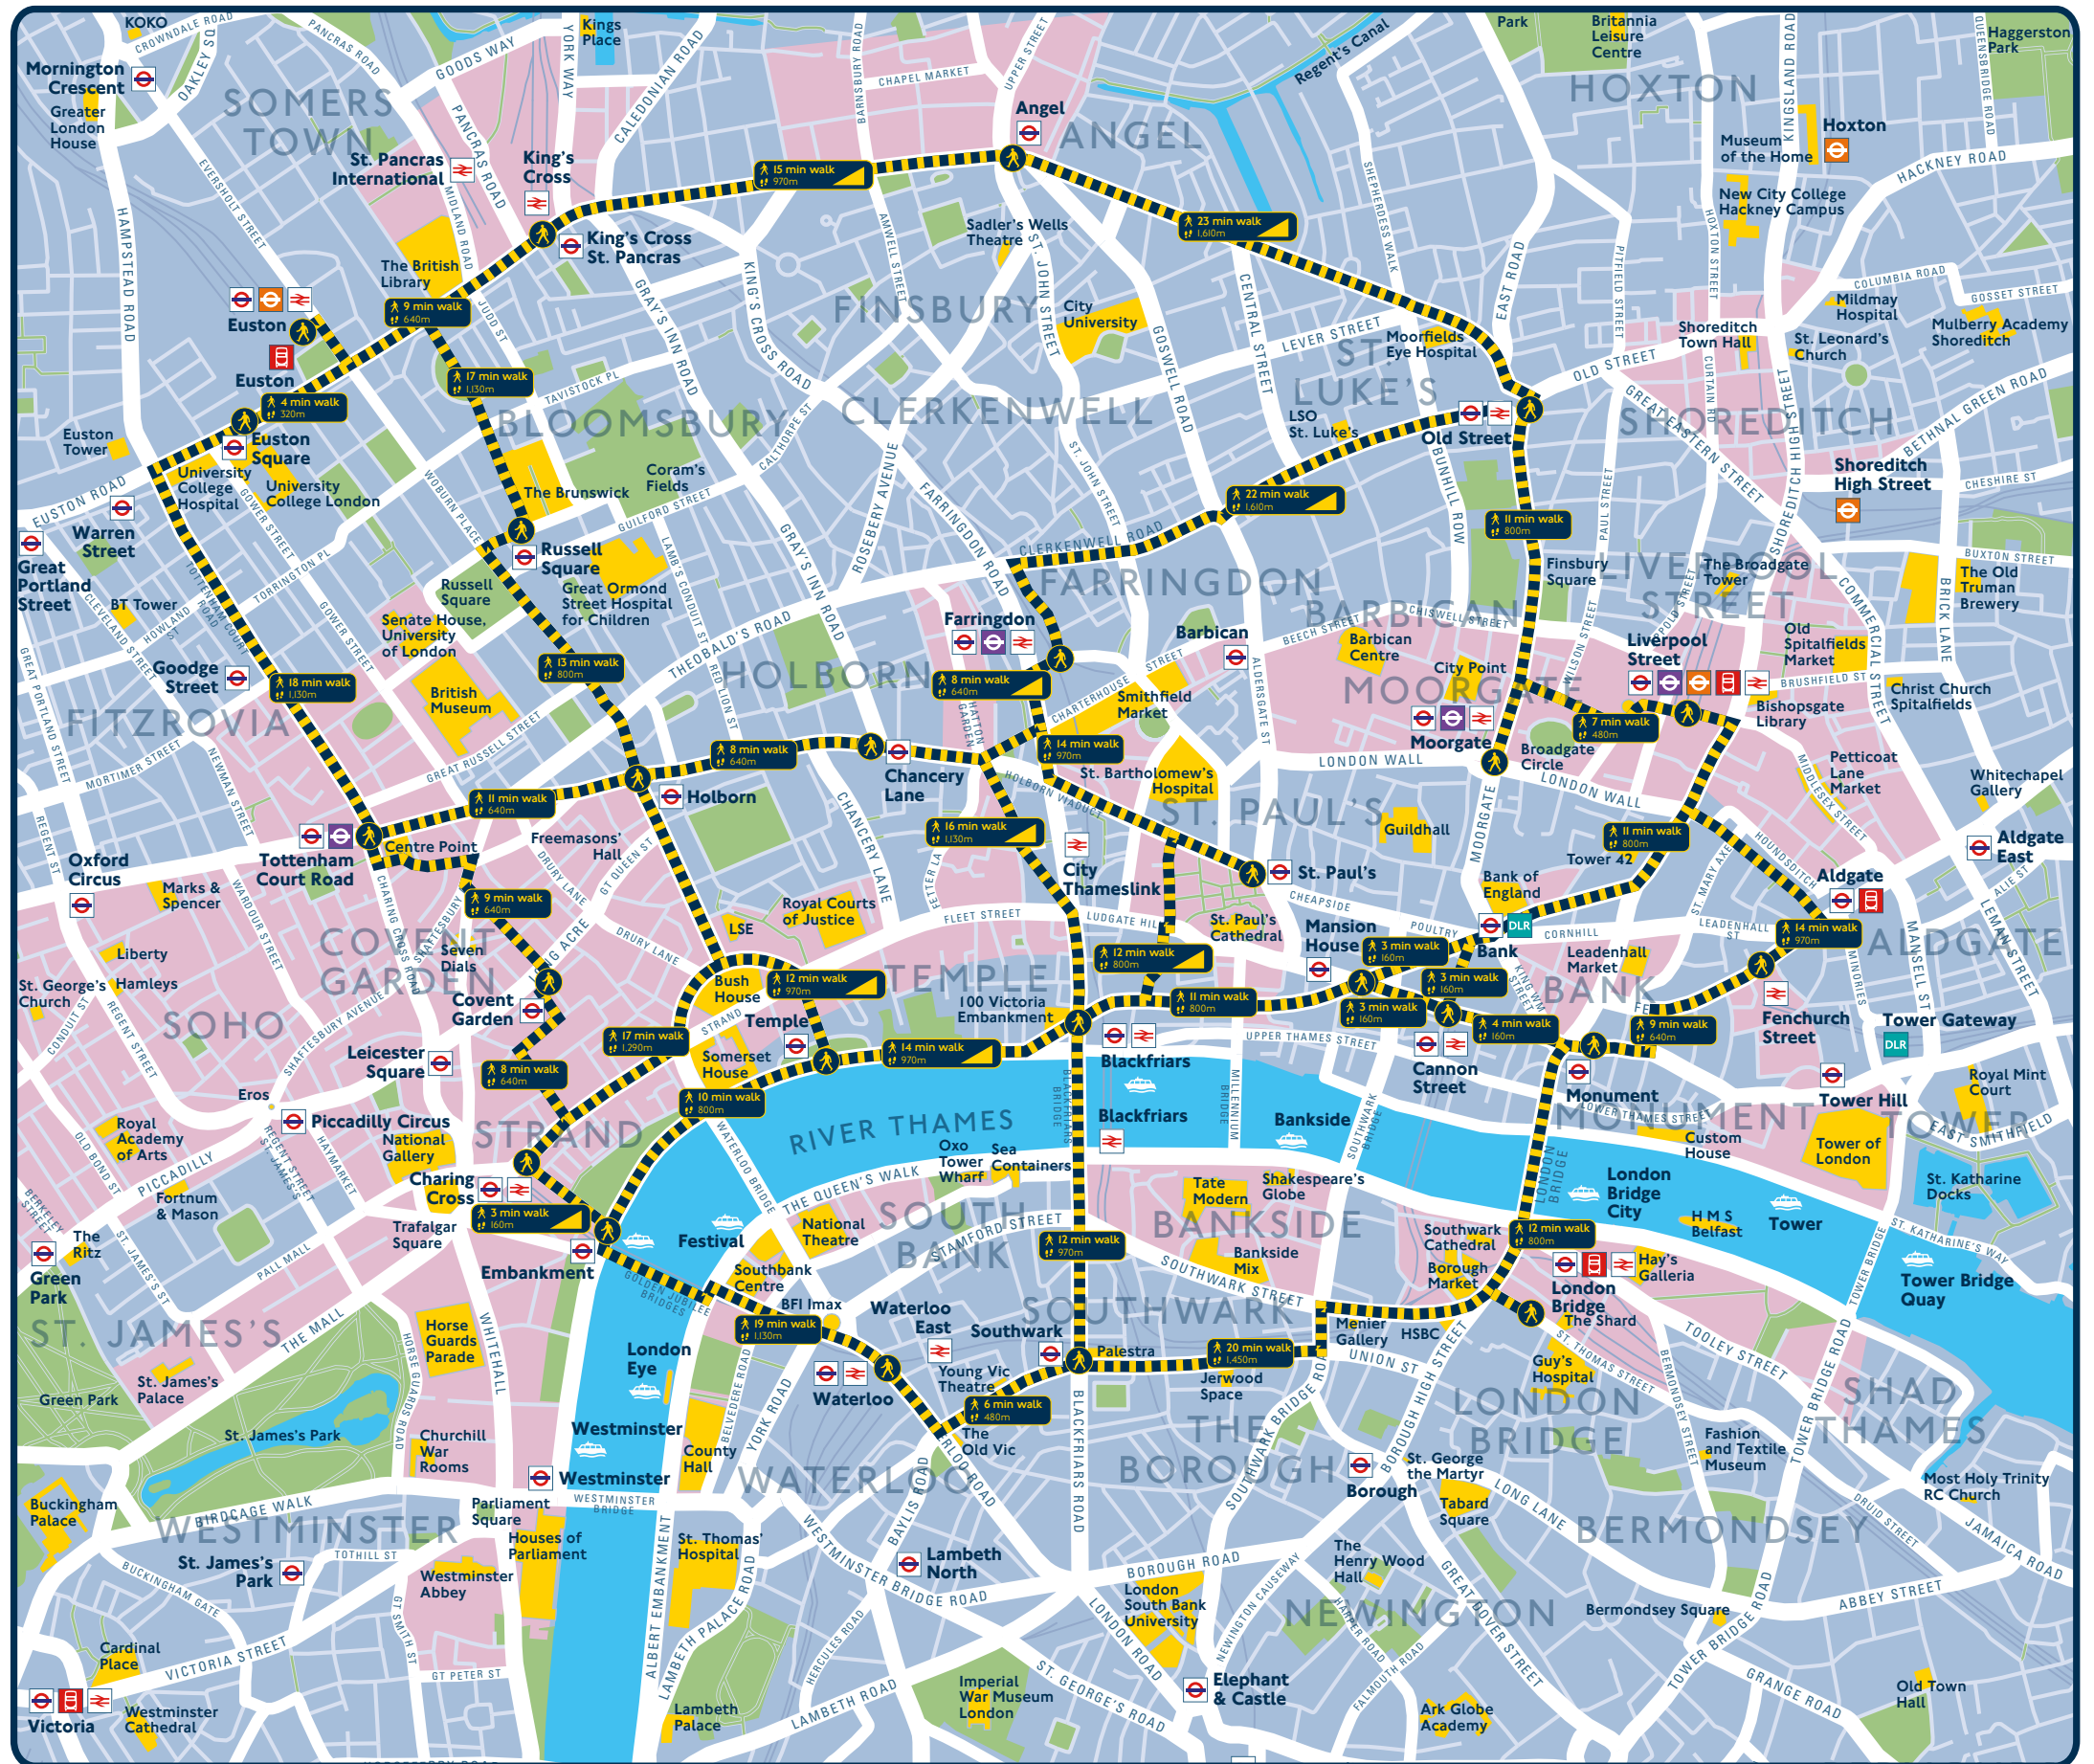

For more detailed routing between stations, look out for on street signage or download the Go Jauntly app.

-  Shops and attractions
-  Walking routes
-  Sloping on part of walking route

All walking routes are step-free. Use the Go Jauntly app for more detailed route information.

1 minute of walking is equivalent to 100 steps, based on an average walking speed.
